The Acme Way

The Acme Way is an initiative based on 24 critical behaviors and fundamentals that ensure our company's culture will carry on Bob Cohen's entrepreneurial vision for years to come. We are partnering with CultureWise, who is helping us take the good things we're already doing to the next level.

Fundamental #13

Have Each Others' Backs.

It's about "us," not any single person. Don't let your ego or personal agenda get in the way of doing what's best for the team. Be there for each other and be willing to step into another role or help a co-worker when that's what's required for success. Help each other succeed.

Jumbo Box Capabilities

Boxes are just the beginning.

Family owned since 1918, Acme Corrugated Box is known for two things: Our made to order boxes and our long-standing customer relationships.

We are industry leaders in product customization and technology adoption, while prioritizing safety and sustainability.

Lifetime Achievement Award

Our President, Bob Cohen, is the winner of the 2024 DVIRC Lifetime Achievement Award as part of Reimagine Manufacturing!

Big congratulations to Bob Cohen for receiving the DVIRC Lifetime Achievement Award!

This prestigious honor celebrates Bob's incredible contributions to the manufacturing industry—his excellence, innovative spirit, and unwavering dedication to advancing the field has made a lasting impact.

We couldn't be prouder to have such a visionary leader here at Acme Corrugated Box.

Thank you, Bob, for your relentless commitment to pushing the boundaries of manufacturing and inspiring all of us along the way!

Working hard, giving back, and some fun along the way.

Congrats to our ESL Training Graduates!

In July, Acme Corrugated Box proudly launched our first ESL (English as a Second Language) class for our Ukrainian employees, in partnership with JEVs Human Services. With 25 employees participating, this program is helping them adapt to life in the U.S. by building language skills and fostering a sense of community. Congratulations to all graduating participants! We'll be starting another session in January.

Getting turkeys to those in need.

A big thanks to Kristen Holeman and Randy Jones for helping load turkeys, and to Heidi Morrison for coordinating with Mercy Neighborhood Ministries of Philadelphia. Acme Corrugated Box was able to donate 30 turkeys to those in need.

Manufacturing Day Celebration

Acme Corrugated Box proudly celebrated Manufacturing Day and we've got the photos to prove it! We're honored to be part of an industry that drives innovation, creates jobs, and shapes the future of packaging. A big thank you to our hardworking team for their dedication and to everyone who supports U.S. manufacturing.

Tavo Packaging Safety Collaboration

We recently had the pleasure of hosting Alex Warren from Tavo Packaging for a collaborative safety session with our Safety Manager, Tom Wertman. This partnership was all about sharing insights and best practices to build even safer workplaces across the industry. We're thrilled to support Tavo's safety goals while reinforcing our commitment to industry excellence. Check out our latest blog to learn more about how Acme and Tavo are building safety together!

Unified Fore Joy ProAm Charity Event!

Acme Corrugated Box was proud to sponsor and participate in the first-ever Unified Fore Joy ProAm charity event at Topgolf!

This exciting event brought together teams from all over, including Special Olympic athletes, to compete in a high-tech golf tournament with a great cause at heart. We were thrilled to join 100+ participants for a fun-filled day of friendly competition, golf, and giving back at the King of Prussia location.

Jumbo Boxes with Acme

Think Big: Acme Corrugated Box's Jumbo Box Capabilities Just Got Even Better

When your products are larger than life, you need packaging that rises to the challenge. At Acme Corrugated Box, we've always specialized in delivering durable, high-capacity jumbo boxes for oversized, heavy, or uniquely shaped goods. Thanks to our brand new, state-of-the-art machine, we're taking these capabilities to new heights.

What Are Jumbo Boxes?

Jumbo boxes are the large, heavy-duty champions of packaging, designed to handle products that are too large or bulky for standard corrugated boxes. Whether it's industrial equipment, massive retail displays, or multi-component shipments, jumbo boxes provide the strength and size you need for secure transportation and storage.

We've Made a Machine Upgrade: What It Means for You

Our new equipment brings a wave of improvements to our jumbo box production:

1. **Precision and Consistency:** The new, high-tech machine allows for tighter tolerances, ensuring every jumbo box is perfectly tailored to fit your specifications.
2. **Expanded Capacity:** We can now produce larger boxes faster and at higher volumes. Need a big order of jumbo boxes? We have you covered.
3. **Improved Strength:** The new machine enhances structural integrity, ensuring our boxes can withstand the heaviest loads while keeping your products safe during transit.
4. **Sustainability Focus:** As part of our commitment to eco-friendly practices, we can now process material more effectively and efficiently.

A NOTE FROM BOB.

As we approach the holidays it is a good time for reflection, for families, and to take stock of our good fortune and our ability to live life with certainty. We are thankful for so many things - among them a vibrant and technically advanced nation of opportunity and a company that not only makes a product, but employs a diverse workforce that, in turn, makes the surrounding community a better place for all. I am proud of our loyal customer base and our company's contribution to our employees, and the wellbeing of our community.

Happy Holidays to all!

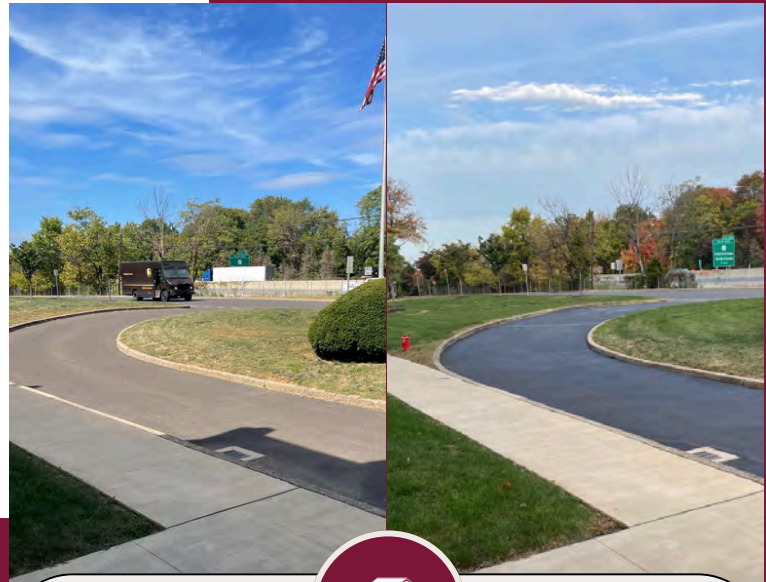

All the best,
Bob Cohen
President Acme Corrugated Box
